

Pre-Enrollment Checklist

Before making an enrollment decision, it is important that you fully understand our benefits and rules. If you have any questions, you can call and speak to a customer service representative at 1-877-241-2583 Monday through Friday from 8 a.m. to 9 p.m. Eastern time, with weekend hours October 1 through March 31. TTY users should call 711.

If you are not a member of this plan, you can call 1-833-844-3871 Monday through Friday from 8 a.m. to 9 p.m. Eastern time, with weekend hours October 1 through March 31. TTY users should call 711.

Understanding the Benefits

- ☐ The Evidence of Coverage provides a complete list of all coverage and services. It is important to review plan coverage, costs, and benefits before you enroll. Visit **bcbsm.com/medicare** or call 1-877-241-2583 (TTY users call 711) to view a copy of the EOC.
- ☐ Review the provider/pharmacy directory (or ask your doctor) to make sure the doctors you see now are in the network. If they are not listed, it means you will likely have to select a new doctor.
- ☐ Review the provider/pharmacy directory to make sure the pharmacy you use for any prescription medicines is in the network. If the pharmacy is not listed, you will likely have to select a new pharmacy for your prescriptions.
- ☐ Review the formulary to make sure your drugs are covered.

Understanding Important Rules

- ☐ In addition to your monthly plan premium, you must continue to pay your Medicare Part B premium. This premium is normally taken out of your Social Security check each month.
- ☐ Benefits, premiums and/or copayments/coinsurance may change on January 1, 2027.
- ☐ Our plan allows you to see providers outside of our network (non-contracted providers). However, while we will pay for covered services provided by a non-contracted provider, the provider must agree to treat you. Except in an emergency or urgent situation, non-contracted providers may deny care. In addition, you will pay a higher copay for services received by non-contracted providers.

 **Effect on current coverage.** If you are currently enrolled in a Medicare Advantage plan, your current Medicare Advantage healthcare coverage will end once your new Medicare Advantage coverage starts. If you have TRICARE, your coverage may be affected once your new Medicare Advantage coverage starts. Please contact TRICARE for more information. If you have a Medigap plan, once your Medicare Advantage coverage starts, you may want to drop your Medigap policy because you will be paying for coverage you cannot use.

Stand-alone Medicare prescription drug plans (Part D)
Medicare Prescription Drug Plan (PDP) – A stand-alone drug plan that adds prescription drug coverage to Original Medicare, some Medicare cost plans, some Medicare private fee-for-service plans and Medicare medical savings account plans.
Medicare Advantage plans (Part C)
Medicare health maintenance organization (HMO) – A Medicare Advantage plan that provides all Original Medicare Part A and Part B health coverage and sometimes covers Part D prescription drug coverage. In most HMOs, you can only get your care from doctors or hospitals in the plan’s network (except in emergencies).
Medicare preferred provider organization (PPO) plan – A Medicare Advantage plan that provides all Original Medicare Part A and Part B health coverage and sometimes covers Part D prescription drug coverage. PPOs have network doctors and hospitals but you can also use out-of-network providers, usually at a higher cost.
Medicare private fee-for-service (PFFS) plan – A Medicare Advantage plan in which you may go to any Medicare-approved doctor, hospital and provider that accepts the plan’s payment, terms and conditions and agrees to treat you – not all providers will. If you join a PFFS plan that has a network, you can see any of the network providers who have agreed to always treat plan members. You will usually pay more to see out-of-network providers.
Medicare special needs plan (SNP) – A Medicare Advantage plan that has a benefit package designed for people with special health care needs. Examples of the specific groups served include people who have both Medicare and Medicaid, people who live in nursing homes, and people who have certain chronic medical conditions.
Dental/vision/hearing products
Plans offering additional benefits for consumers who are looking to cover needs for dental, vision or hearing. These plans are not affiliated or connected to Medicare.
Ancillary products
Critical illness and accident insurance – Plans offering coverage for consumers who have been diagnosed with a specific illness on a predetermined list. These plans are not affiliated or connected to Medicare.
Hospital indemnity insurance – Plans that offer coverage each day you are hospitalized, up to a designated number of days. These plans are not affiliated with or connected to Medicare.
Travel insurance – Plans offering additional benefits for consumers who travel outside the United States. These plans are not affiliated or connected to Medicare.
Medicare supplement (Medigap) products
Plans offering a supplemental policy to fill “gaps” in Original Medicare coverage. A Medigap policy typically pays some or all of the deductible and coinsurance amounts applicable to Medicare-covered services, and sometimes covers items and services that are not covered by Medicare, such as care outside of the country. These plans are not affiliated or connected to Medicare.

Out-of-network/non-contracted providers are under no obligation to treat Plan members, except in emergency situations. Please call our customer service number or see your *Evidence of Coverage* for more information, including the cost-sharing that applies to out-of-network services.

of Michigan

Blue Cross Blue Shield of Michigan is a nonprofit corporation and independent licensee of the Blue Cross and Blue Shield Association.

Every year, Medicare evaluates plans based on a 5-star rating system.

Why Star Ratings Are Important

Medicare rates plans on their health and drug services.

This lets you easily compare plans based on quality and performance.

Star Ratings are based on factors that include:

- Feedback from members about the plan's service and care
- The number of members who left or stayed with the plan
- The number of complaints Medicare got about the plan
- Data from doctors and hospitals that work with the plan

More stars mean a better plan – for example, members may get better care and better, faster customer service.
